APIMONDIA 2019

SLOVENIA, HOME OF OUTSTANDING BEEKEEPERS

- Slovenians are Beekeepers with Heart and Soul
- 4 beekeepers → 1000 inhabitants

BEEKEEPING AND CULTURAL HERITAGE

- Long and rich Tradition
- Worldknown beekeepers: Anton Janša, Peter Pavel Glavar, ...
- Dr. Terč – Founder and pioneer of apitherapy
- Beekeepers are well organised

MAIN PROMOTIONAL ACTIVITIES

HONEY BREAKFAST

- since 2007
- Traditional Slovenian breakfast (2011)
- European honey breakfast

HONEY BREAKFAST

- Every 3rd Friday in November in Slovenian nurseries and primary schools
- Beekeepers have visited them to present beekeeping and the importance of bees to children
- the school's and nursery's choirs sing the very well-known song – The Beekeeper
- ...

*“Bees’ nice rustling to me,
bess nice smell to me,
but in the heart of my memory
to awaken youth days.*

*Bees, bees,
you are my friend,
never forget you
this old beekeeper.”*

- **The nurseries and schools have accepted this campaign with great enthusiasm and in many cases, this breakfast has become much more than just a breakfast: we have now got many wonderful stories and projects connected to bees and beekeeping.**

OPEN DAYS WITH SLOVENIAN BEEKEEPERS

UNIQUE BEE PRODUCTS PACKAGES

SAVE THE BEES

- Making connections to other agricultural branches
- **You reap what you sow** – buckwheat, sunflowers, pumpkins (Hokkaido)

COFFEE WITH HONEY PLEASE
